They live every minute of the present. Here we meet and try to understand each other; learn how to train and develop our minds; do the many things that go with the task of getting an education. We hope we have done it well.

This is the weaker sex??? A surprise at a pre-game pep-rally was the appearance of these all girl football teams representing the Mishawaka Maroons and the Riley Wildcats. Miss Lauer served double duty to the Maroons as coach and waterboy.

Put a penny in the pot! Each contribution will bring next year's foreign exchange student a step closer to Riley.

The two teams opposed each other in a mighty conflict of lipstick and powder. In spite of the broken fingernails and smeared mascara, it was a happy day for Coach Steele when her Wildcats came through with an easy victory.

Our Nancy, reigning diety of the Riley-Adams game, greets the opponents' queen with the smile of friendly competition. The game was close, but the charm of this half-time ceremony had cast a spell which remained even at the climax and finish of the struggle.

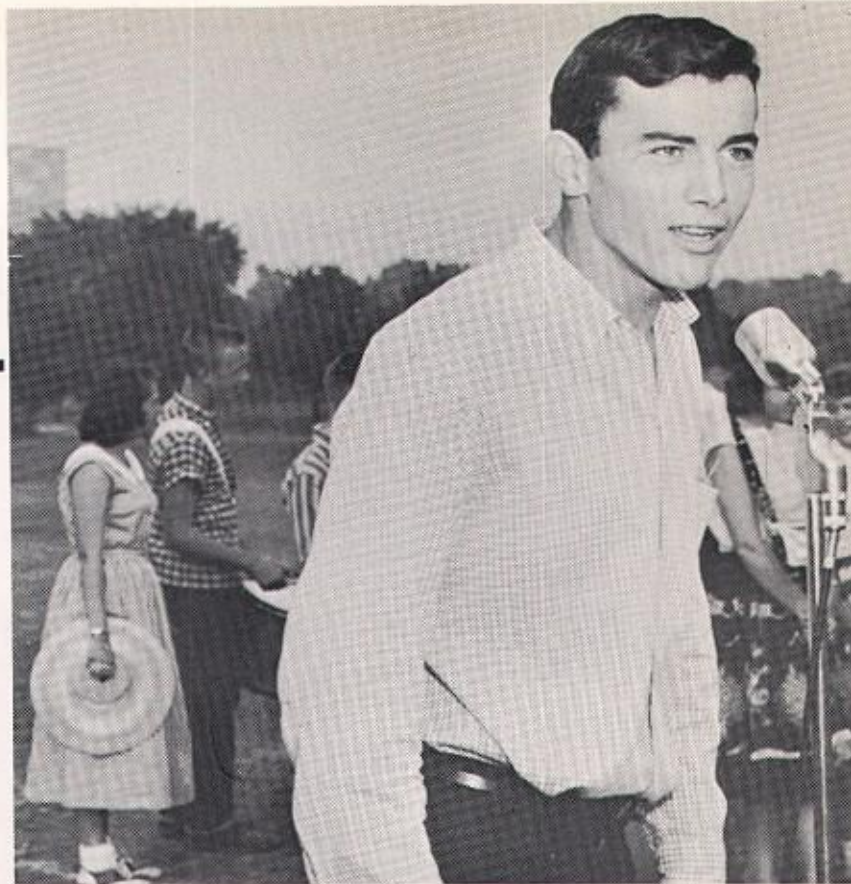

It must have worked; for a fired Riley squad bounds to capture the ball with the same vigor they displayed in so many games.

## Varsity

Nearly 70 football candidates reported to Jim Whitmer, who became Riley's new coach in 1957. Mr. Whitmer, a former Riley and Purdue star, began his duties with assistant coaches Hafner, Horvath, and Wojtyts. Mr. Wojtyts, who joined the faculty in September, played his football at Purdue.

Greeting the coaches was an enthusiastic squad, but one lacking in experience. Only six lettermen were among the 70 reporting. Medich and Clark were in the backfield; Wegner, Gunn, Ton, and McKibbin in the line. No experienced guards were available. With only three weeks to work, Coach Whitmer tried out various combinations, but could not come up with a win in his debut. Fort Wayne Catholic, capitalizing on the Wildcat's mistakes, defeated them 20 to 6.

Victory came in the opening Conference game with Goshen. A touchdown by Tom Ellison late in the fourth quarter, proved to be enough for a 6 to 0 victory. Opening their home schedule, the squad defeated Mishawaka 20 to 6. Touchdowns were scored by Hupka, Medich and Williams. Victory however, was short-lived. Washington's Panthers, playing one

of their finest games of the season, defeated them 37 to 12.

The team bounced back with an exciting 12 to 0 victory over Fort Wayne North Side. Riley was heavily outweighed, but a stout defense brought victory. From here on injuries and the influenza outbreak plagued the team. The Central Bears, with their strong line and ample reserves, won easily, 48 to 7. Adams, led by Gene Phillips won 52 to 19.

With a Conference record of 3 wins and 1 loss, Riley lost a chance to tie for the lead when the LaPorte Slicers topped them in a close game in School Field, 19 to 6.

Elkhart's improved Blazers, conquerors of Adam's Eagles, next came to School Field for a non-conference game. The outmanned Wildcats lost 46 to 6. In a game that was postponed by influenza, the team traveled to Michigan City for their last Conference tilt. Riley's only score in the 25 to 7 defeat, was a 70 yard run by Hupka. Although the overall record was not too impressive, Riley finished with a 3-3 Conference record, good enough for 5th place.

Riley plummeting from the pinnacle of cross country success ended up with a fair record of 8 wins, 7 loses.

They did not have chances to defend their City Conference, and Sectional crowns because of the influenza epidemic. The epidemic could probably take some of the blame for the seasons record because once the boys were sick it is almost impossible to get them back into condition.

Riley's number one man this year was Leon Copeland. He will appear at the head of the team next year with nine of the first eleven men returning. Things are looking up again for Cross Country.

## Tennis

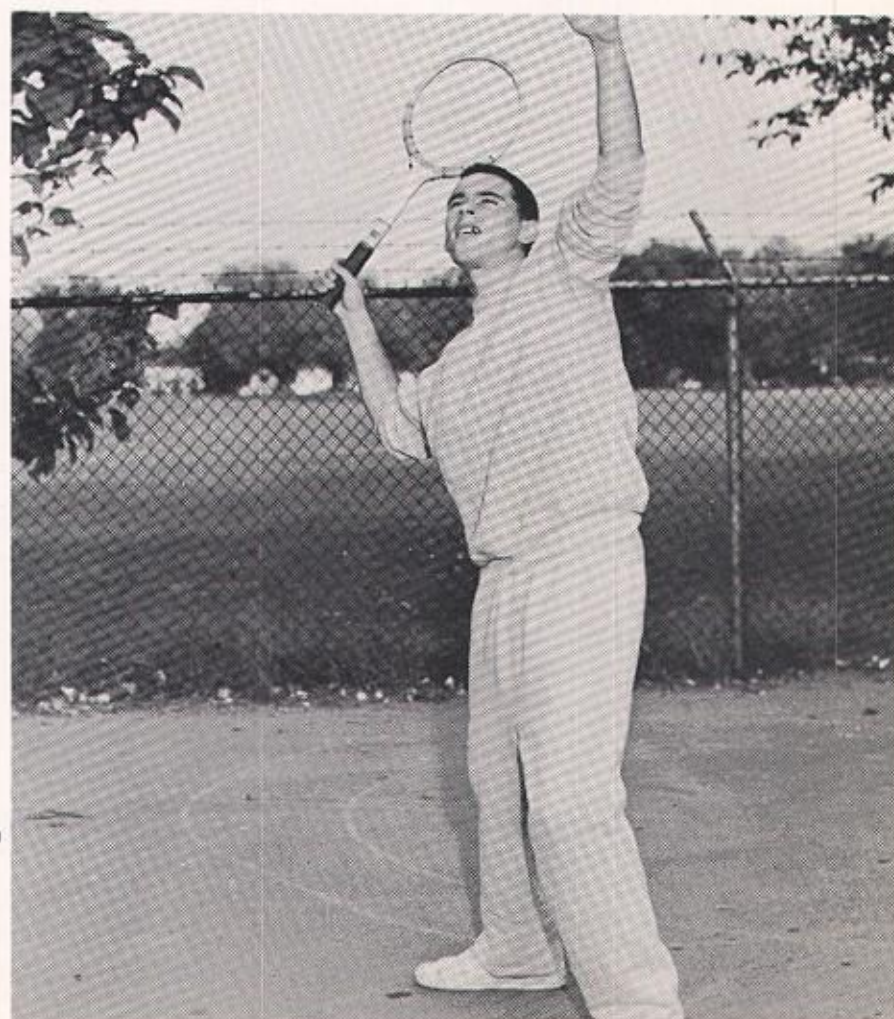

Led by Dan Barnes, Dave Kramer and coached by Don Barnbrook, the tennis team compiled a 5 won 3 lost record.

The outstanding performer on the team was Dan Barnes who won all of his 8 singles matches. A great team performance was turned in against

Elkhart, a strong team in the conference. The team also played a 4 hour marathon match with Fort Wayne, but came out unsuccessful. In an after dark finish, the team showed great potential in beating Mishawaka 4 to 1.

## Varsity

Along with a new head football coach, Riley welcomed its new basketball coach, Bob Biddle, who came to us from Middlebury, where he had turned out highly successful teams. Riley, with five returning lettermen, started the season by whipping Froebel only to drop the next three to Glenn, Auburn, and Lakeville. By playing heads-up ball, the Wildcats gained prestige as a scrappy team by beating a strong Mishawaka team. The team then seemed to run into a jinx when they encountered any school named for the first president of our country. In succession they dropped tilts to South Bend Washington, East Chicago Washington, and Washington Clay, before a winning game against North Side of Fort Wayne. From here on they found themselves and began to play the type of ball they were capable of. They beat LaPorte and almost upset defending champions, Central, in an overtime game. After beating Niles, the Wildcats dropped the next three to Adams, Garfield, and Elkhart, which were

all nip and tuck games. Lebanon and Goshen proved to be victims of the Wildcats, when then wound up the season by losing to a strong Michigan City team.

Sectional time arrived again and the Wildcats defeated Lakeville easily in their first game, but ended their basketball year by losing to the tourney favored St. Joe team.

The outstanding player of the squad this year was Dan Barnes, who was the second top scorer in the conference. However, as in any sport, no one man is a team and the Riley squad was backed up by several very capable seniors in Chuck Grundy, Tom Poholski, John Campbell, Ron Evard, and Dave Gunn.

With a lack of height and experience, the Wildcats proved to several of the top teams this year that desire and a never-dying spirit are substitutes for these two things.

"No, you can't have it," says Charlie Grundy. Tom Poholski, Dave Gunn and Dan Barnes rush in to help, Charlie.

Danny Barnes makes it look easy as he goes in for another lay up against Lebanon.

Dave Gunn goes up high for a easy lay up as Tom Poholski and George VanDerHayden looks on.

Sorring like a bird, Dan Barnes scores a crucial basket during Riley-Adams games.

## Wrestling

Arden Floran tries to set up a switch for two points to his credit.

The wrestling team with new coach, Joe Wojtyts and lettermen, Bill Fuerbringer, Mike Klosinski, Eddie Galloway, Jim Starrett, Pat Geraghty, and Arthur Floran ended the season with an improved six wins and five losses.

The team was defeated in their opening match against a mighty Culver team, but bounced right back with three wins against LaPorte, Howe Military, and St. Joseph. They gained a second place in the Holiday Tourney behind Central. The Riley wrestlers were then knocked back three straight times by Central, Niles, and Culver. Coming back, the Riley matmen, were successful in downing New Carlisle, Washington Clay, and Elkhart, only to lose their last scheduled match of the season to John Adams.

Next the team traveled to East Chicago where they finished eighth in the conference. The following week the matmen placed second at the Sectionals. Arthur Floran in the 106 pound division, and Ed Galloway in the 145 pound division qualified for the Regional at Lafayette.

Although the team loses five seniors, Mike Klosinski, John Skiles, Ed Galloway, Bill Fuerbringer, and Ray McKibbin, Coach Wojtyts hopes to build a team for next year around Woody Talcott, Arthur Floran, Pat Geraghty, Arden Floran, Dave Gleason, Art Stump, and Dave Ton.

## STATE CHAMPS

On February 27, new Coach Bosco Sarenac's swimming team captured Riley's third state championship. The team was pushed to the limit by Columbus and the meet was still undecided until Riley won the Medley Relay. The winning Relay was composed of Dave Hail, John Buchanan, Dave Richards and Captain Tom Bloom. Deny Floden and John Odusch both turned in dazzling performances. Floden from the 50 yard Freestyle and the Backstroke event; Odusch won 100 yard Freestyle and 150 yard Individual Medley. These two were the only double winners in the meet. Dave Richards was Riley's other first place winner with a victory in the Breaststroke event. Captain Tom Bloom placed second in the 200 yard Freestyle for the second straight year. John Buchanan last years state champion in the 100 yard butterfly event was upset this year and placed second. Dave Hail, Riley's only other qualifier placed sixth in the Backstroke.

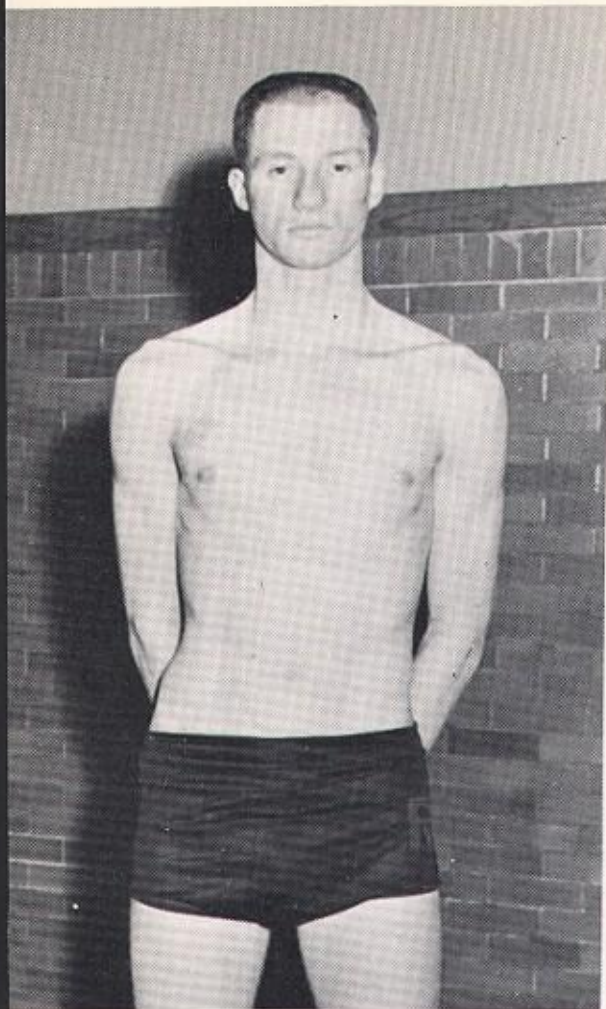

Besides their state championship, the Riley Tankers also won the Conference Title. In the conference meet the swimmers won eight out of ten events, losing only diving and the Freestyle relay. The only meet lost by the Wildcats this year was the city meet which has been a jinx for the last two years. The team also extended their dual meet victory record to 24 straight wins.

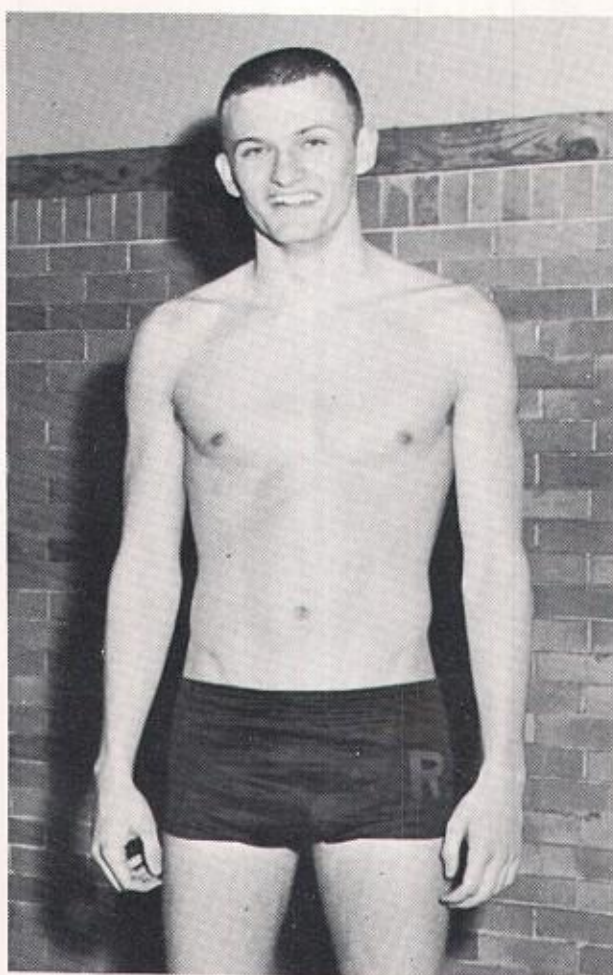

240 yard Medley Relay Team: Dave Hail, Tom Bloom, Dave Richards and John Buchanan. State Champions with the time 1:52.3.

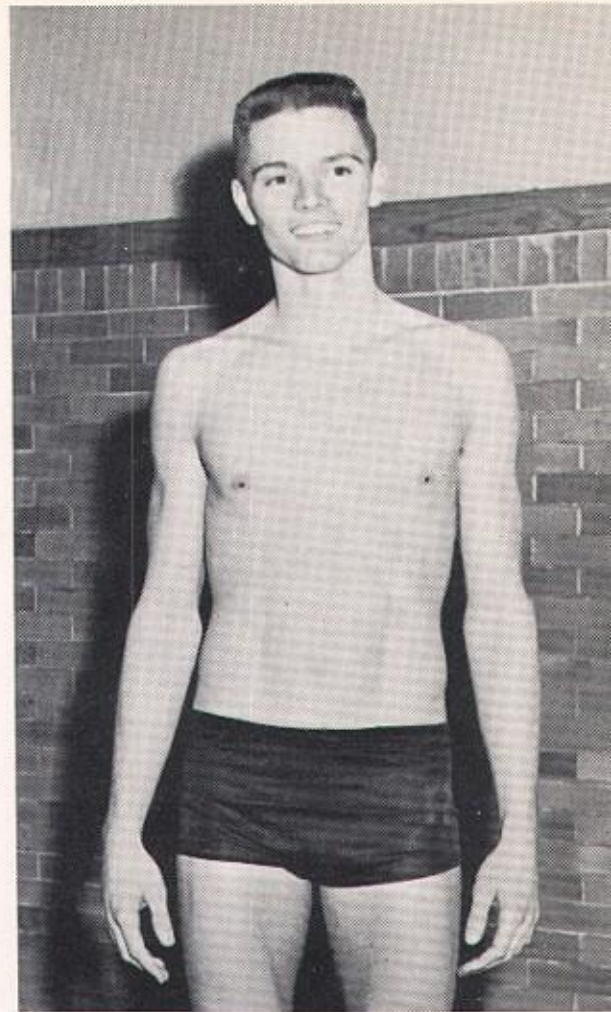

# State Swimming Champs

# Baseball

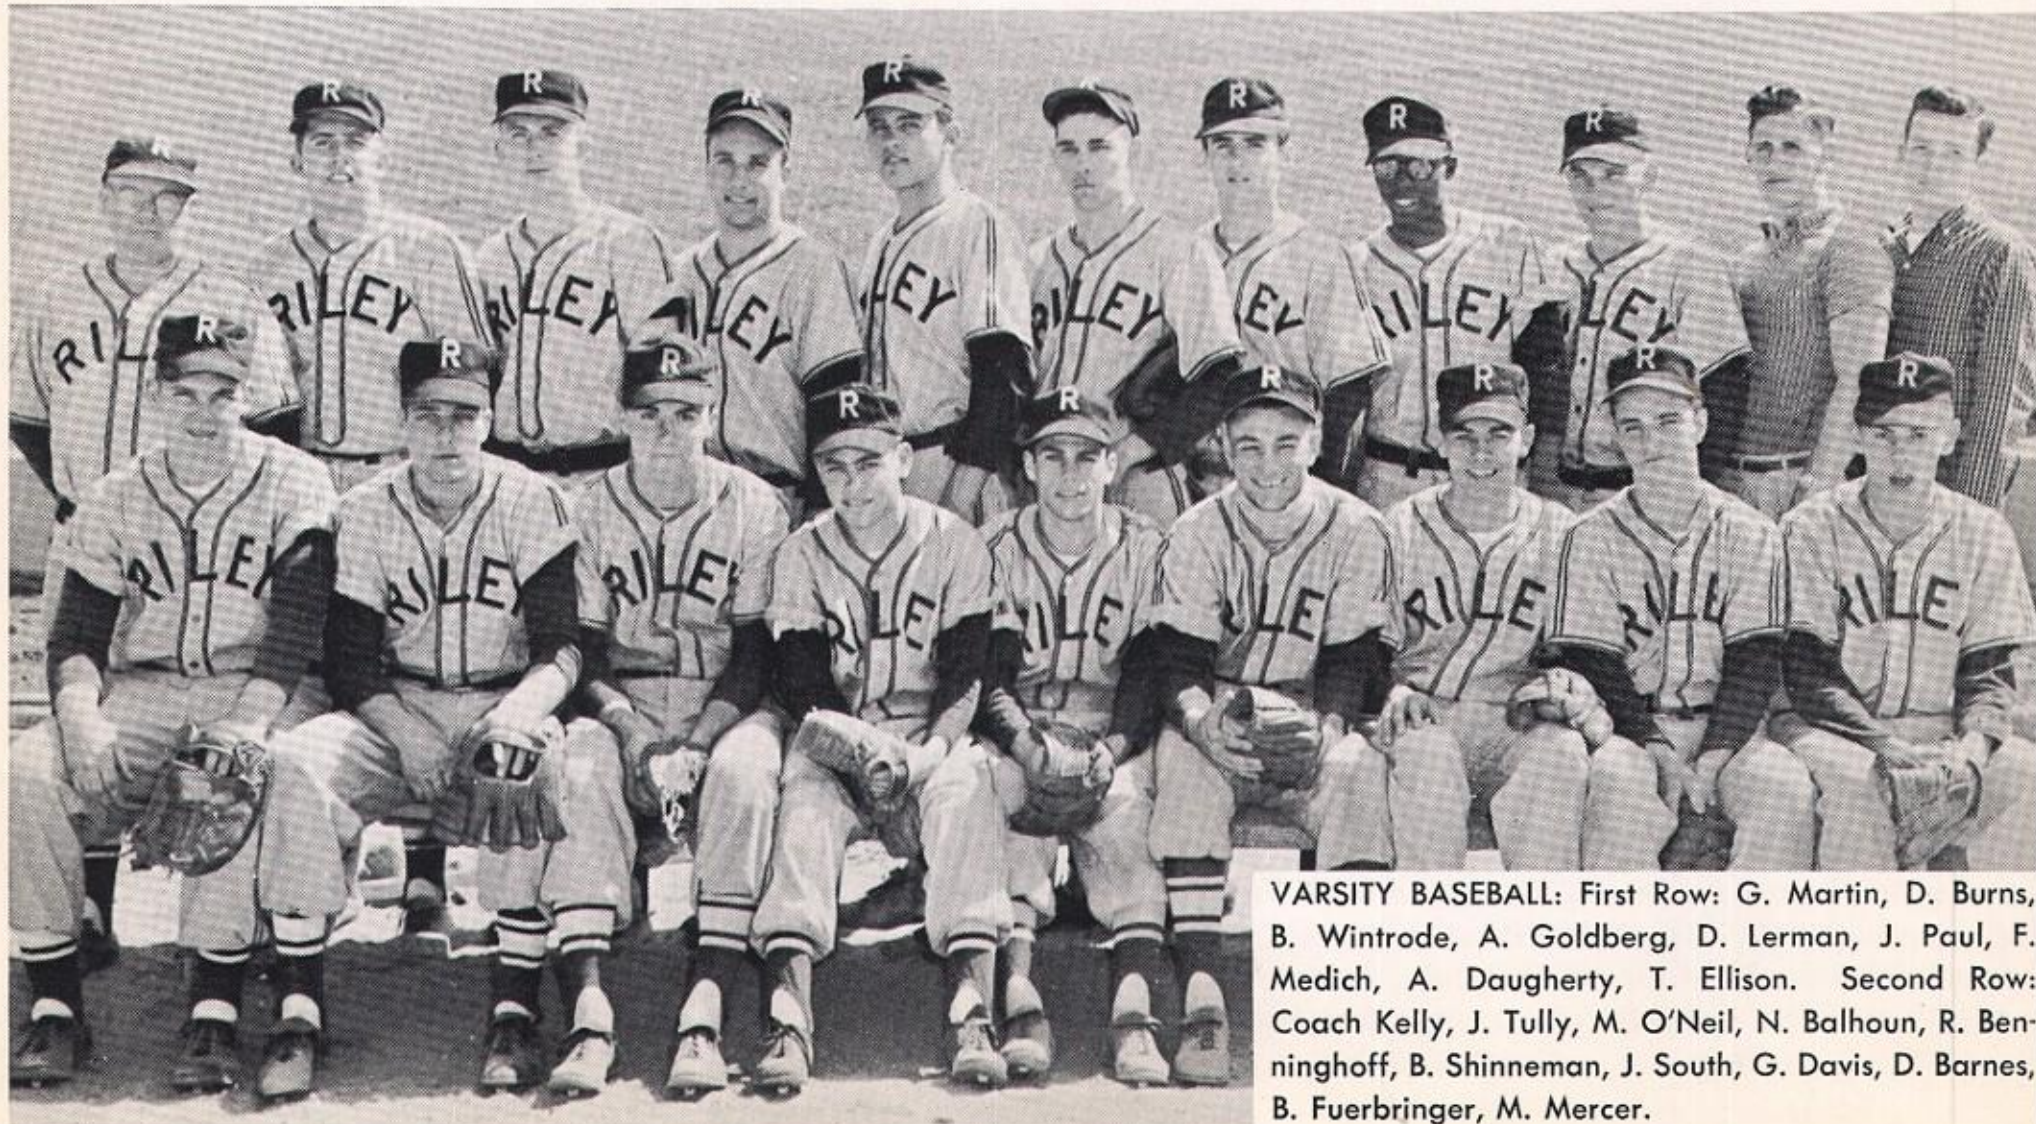

Varsity Pitchers

Bouncing back from a mediocre season, Riley baseballers hit into a tie with Michigan City for the N.I.H.S.C. Championship. With eight returning let-termen forming a strong nucleus. Coach Kelly's boys won seven and lost one in Conference play. Overall they won sixteen and lost four.

The 'Cats were off to a good start as they won successive victories from St. Joseph, Adams and Washington only to be called out at Michigan City in a tough Conference game; the only conference loss of the season. Playing four games in one week, a victory was turned in over Niles only to lose to Mishawaka the next day. Goshen then bowed to Riley, followed by Culver. Then Doug Burns pitched a beautiful shutout over Central, 6-0, in an important Conference tussle. Continuing down victory trail, wins were posted over Washington Clay, and for the second time over Central and Washington. St. Joe played the role of spoiler as they edged the 'Cats 2-1. Adams bowed 13-1 and Washington Clay and Elkhart were blanked 4-0 and 1-0 respectively. The deciding game was against LaPorte. Fighting hard all the way, the 'Cats came from behind in the ninth to score the winning run on an interference call against the LaPorte third baseman. The score was 4-3. The boys then traveled up to Niles to win, 9-3.

This season marked the third Conference title Riley has captured. The other two were in 1948 and 1953.

Thus Paul "Spike" Kelly ended his coaching career with a third conference title, probably his most gratifying.

## Golf Conference Champions

RILEY had one of the finest golf teams in the state last year. This has been the case in the past 3 years. Riley won the Conference and placed 2nd in the state to a terrific Indianapolis Shortridge team.

The stalwarts of the team were Bob Lee, Jim Draskovits, Ritchie Stone, and John Huckins. They were assisted by Dave Wilmes, Jim Cook, and Dave Klopfenstein.

Bob Lee was the medalist of the season with a 70 and Jim Draskovits close behind with a 72.

Draskovits and Stone were each medalists seven times during the season's matches. The final conference tally was a 13-1 record.

## Track

The Riley track season opened with a bleak outlook. Most of last years STARS had graduated and not many lettermen were returning. However, all was not gloom, for Coach Smith had three sterling lettermen in Louis Cass, Ron Walling, and Don Katona. Coupled with these were Lyle Robinson, John Miller, Herman West, Bill Barnes, Don Hanish, Glen Wier, Jim Segó, George Page, and Calvin Everly. All but the first two are returning lettermen and should bolster this years team considerable.

One of the most exciting moments of last year, was when Louis Cass set a new City record in the mile for 4:38.0. Louie also won the sectional mile in 4:38.7 minutes. Don Katona, bothered by a bad back, still came through to win the ENIHSC pole vault of 11 ft. The two mile relay team of Hanish, Copeland, McKee, and Cass placed first in Culver Relays. All in all the track team posted a respectable 5-4 record.

**L**earning is matter of attitude and desire. Begin with a building, however humble, tools to work with, and teachers concerned with our problems and abilities. Add to these boys and girls who want to learn, who know it is hard work, but who are willing to accept the sacrifices that go with it, and you end up with the best a school can do. Look now at

## THE WAY WE LEARN

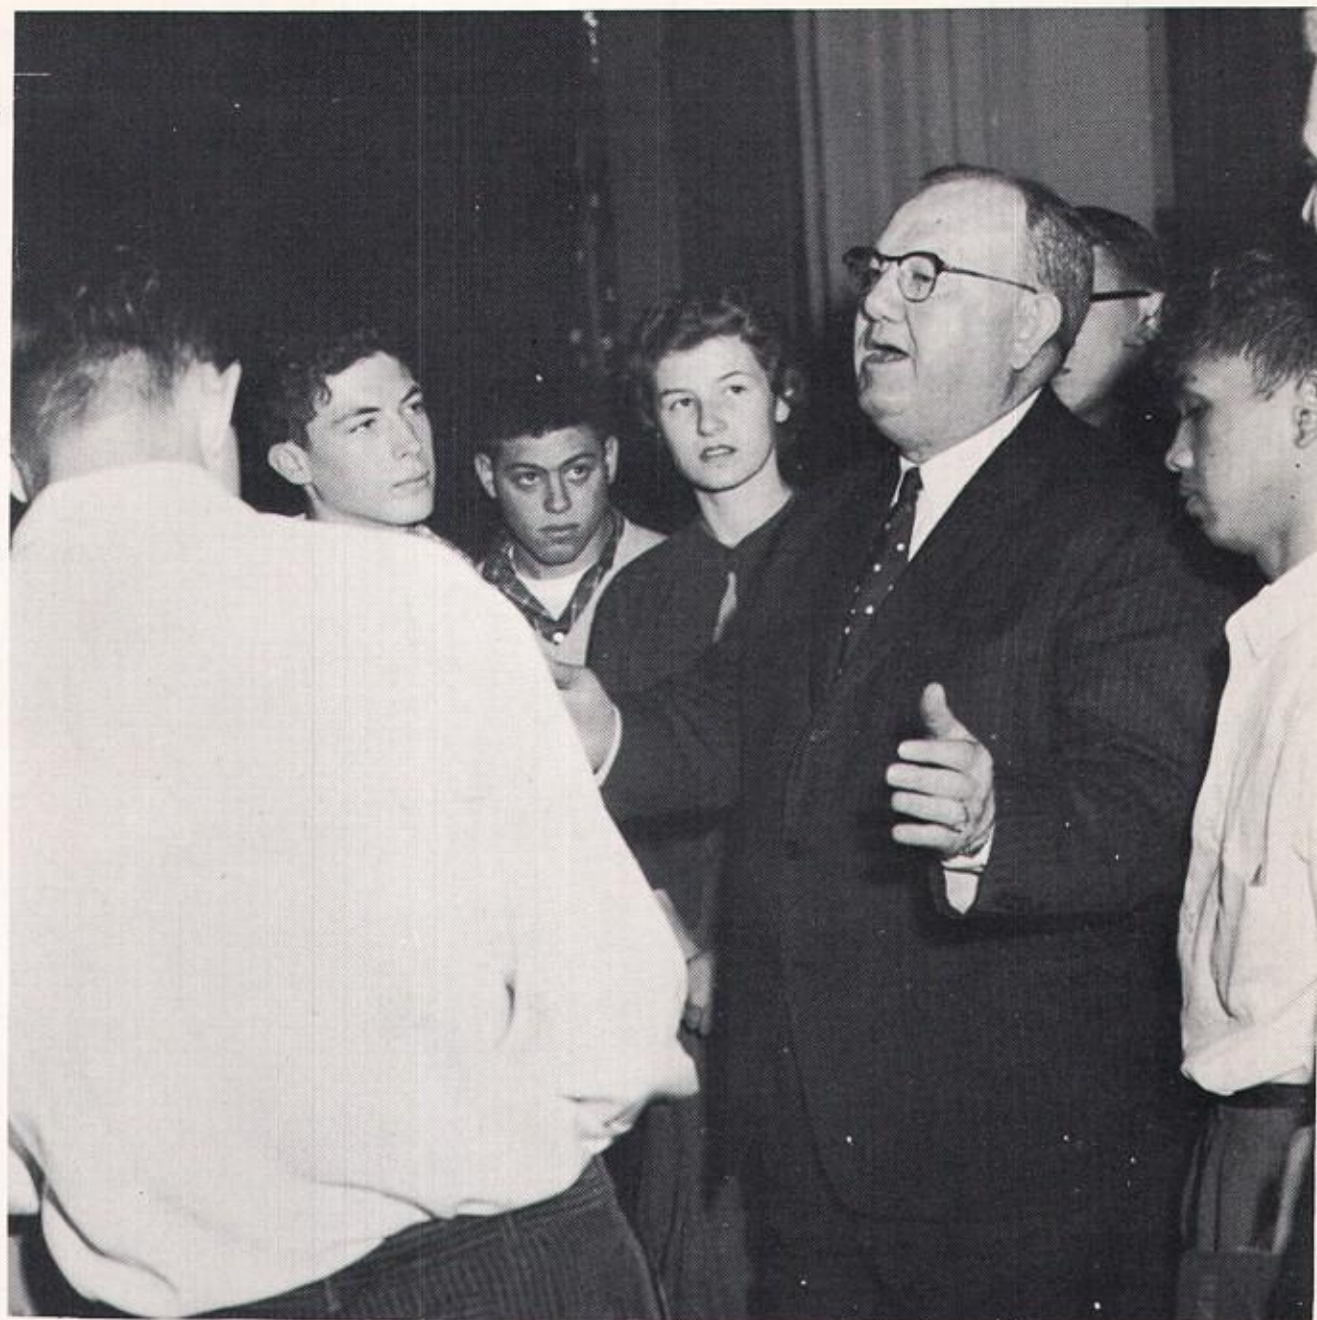

"Ho hum! Won't that reaction ever come to completion?" sighs Barb as she stares dreamily into the maze of test tubes and solutions.

I spy! . . . Junior scientists probe into the mysteries of the microscopic world. Oh, if an amoeba could only see itself!!

We didn't solve the world's problems, but it was fun trying. Senator Capehart gave us first hand information on happenings behind the Iron Curtain.

It looks like a mess now, but a whiff of that tantalizing aroma later on will be proof-positive that it's edible.

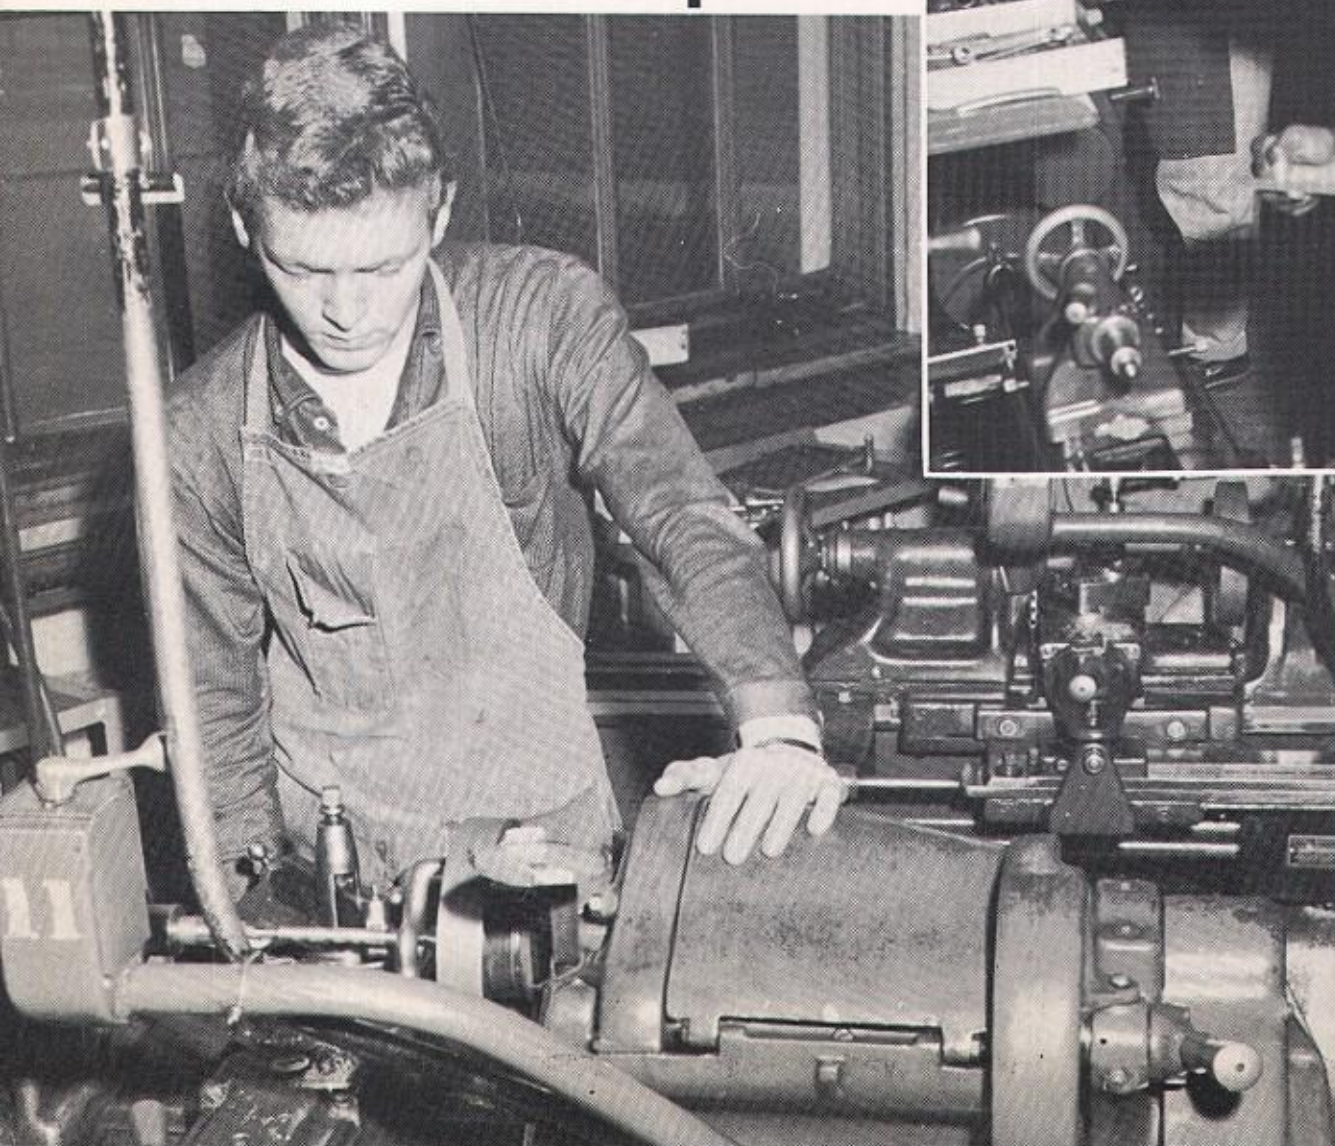

Members of a junior high home economics class compose this young maid's sewing circle. Hope they don't stay maids forever!

Plan it, mold it, bake it, and paint it. Creativeness finds an outlet through ambidextrous hands.

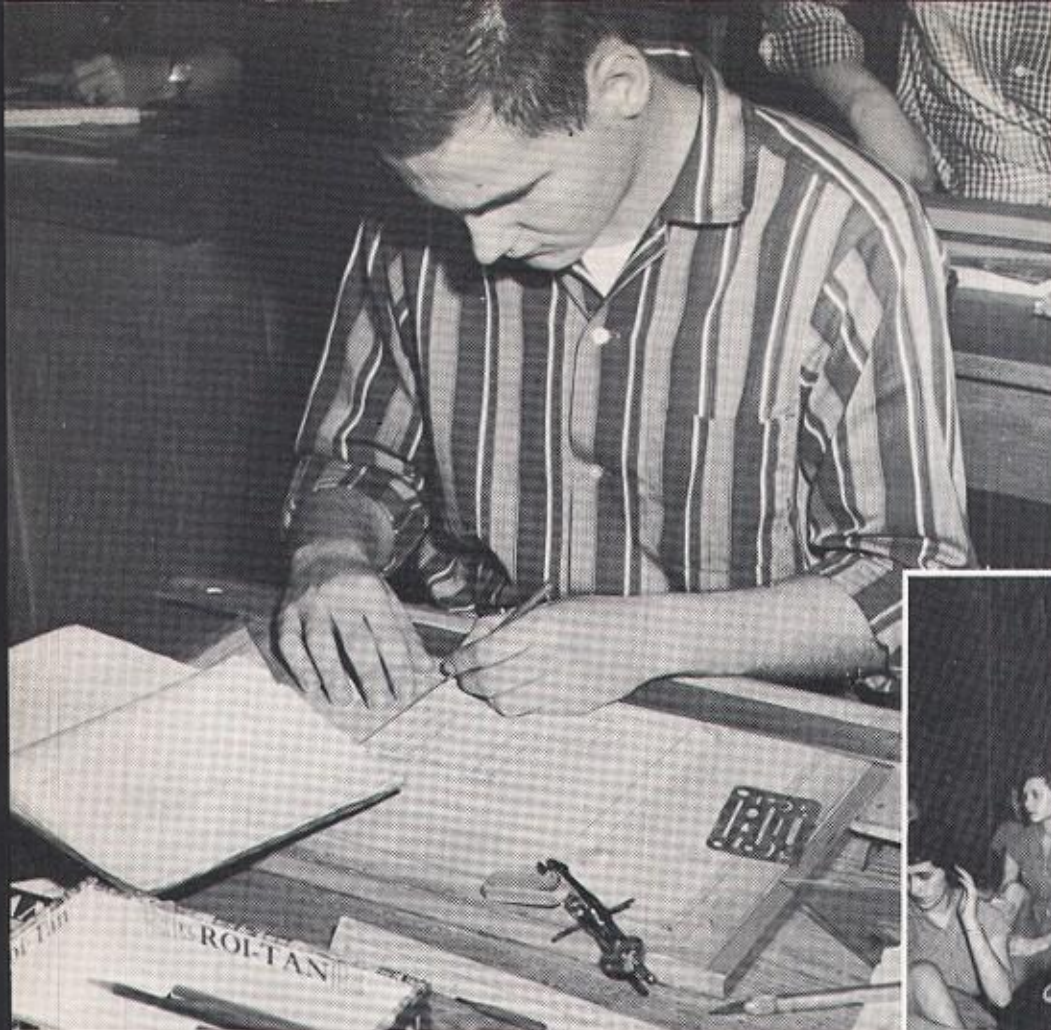

Mechanical minded machinists meditate on methods of machinery.

Could it be that a recent reading of *Frankenstein* has stimulated these fellows to the perfection of a mechanical man? Or is that just the rocket ship they intend to send him up in?

Trying your hand at mechanical drawing is a tricky business. That eraser is necessary for a neat paper.

These girls certainly look "joi de vivre" (translation: full of life) as they await instructions for the day's physical education agenda.

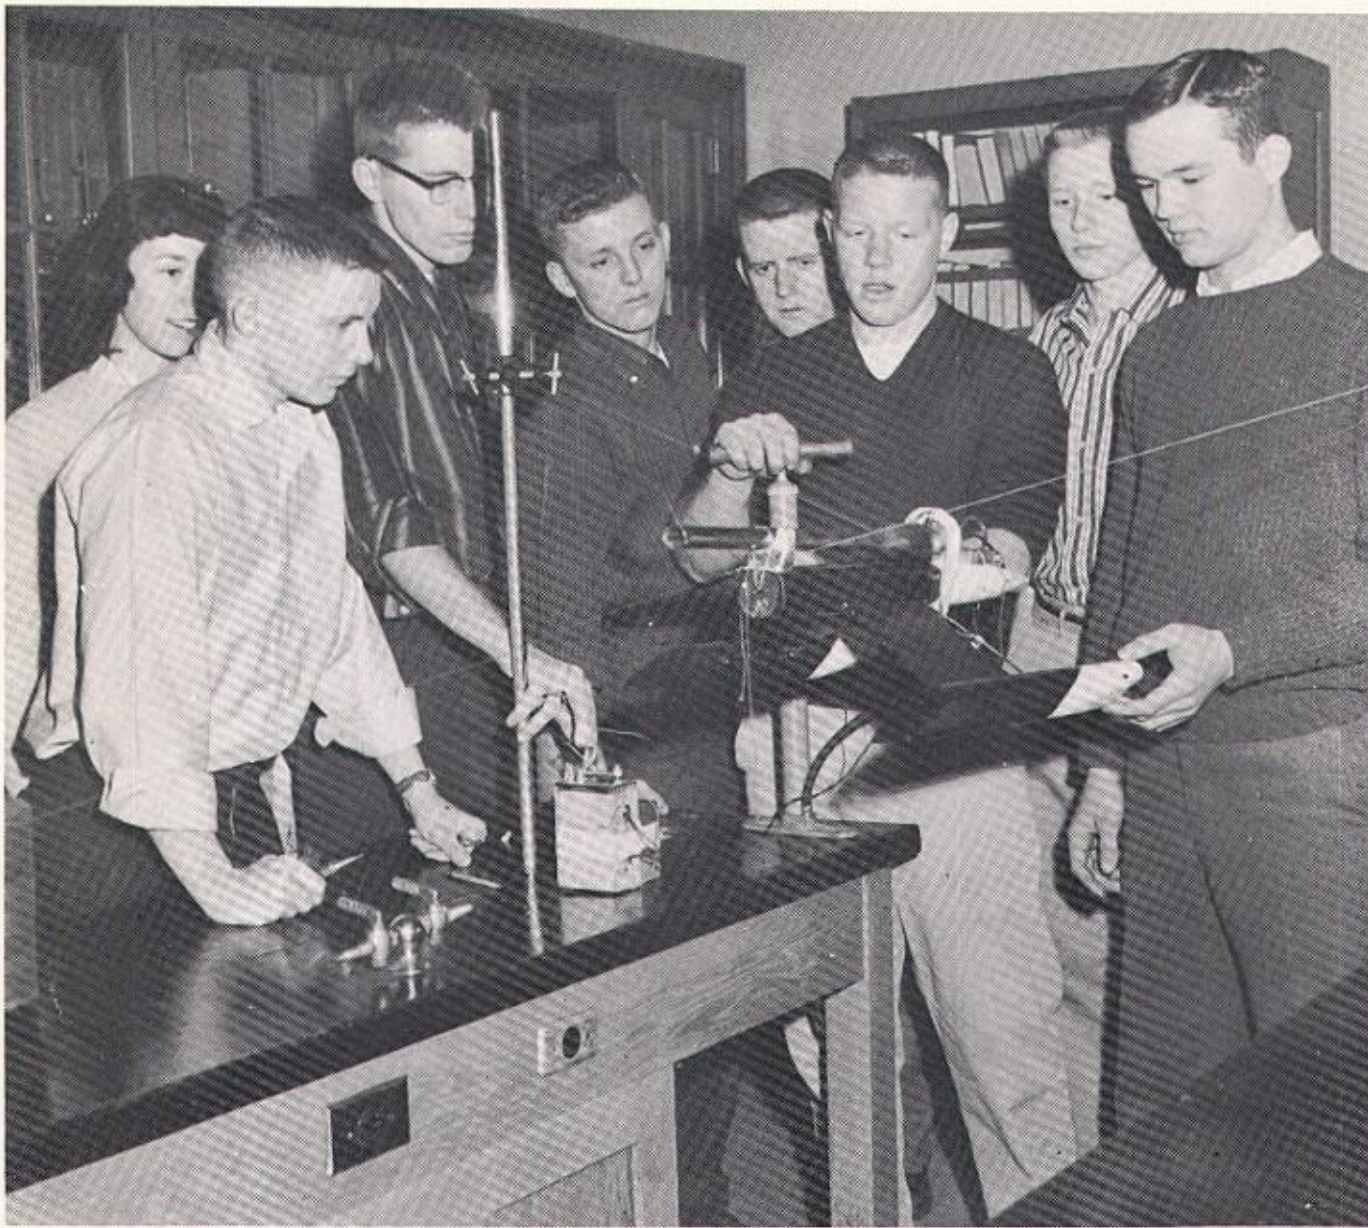

Having trouble boys? Don't complain. Your modern equipment gives you a head start on even Gutenberg.

A scrap of paper, a dab of paste, a splash of paint . . . oh, what a waste.

Fred, the physics fanatic, finds fantastic phenomena to explain to the class. Really, it's only a rocket.

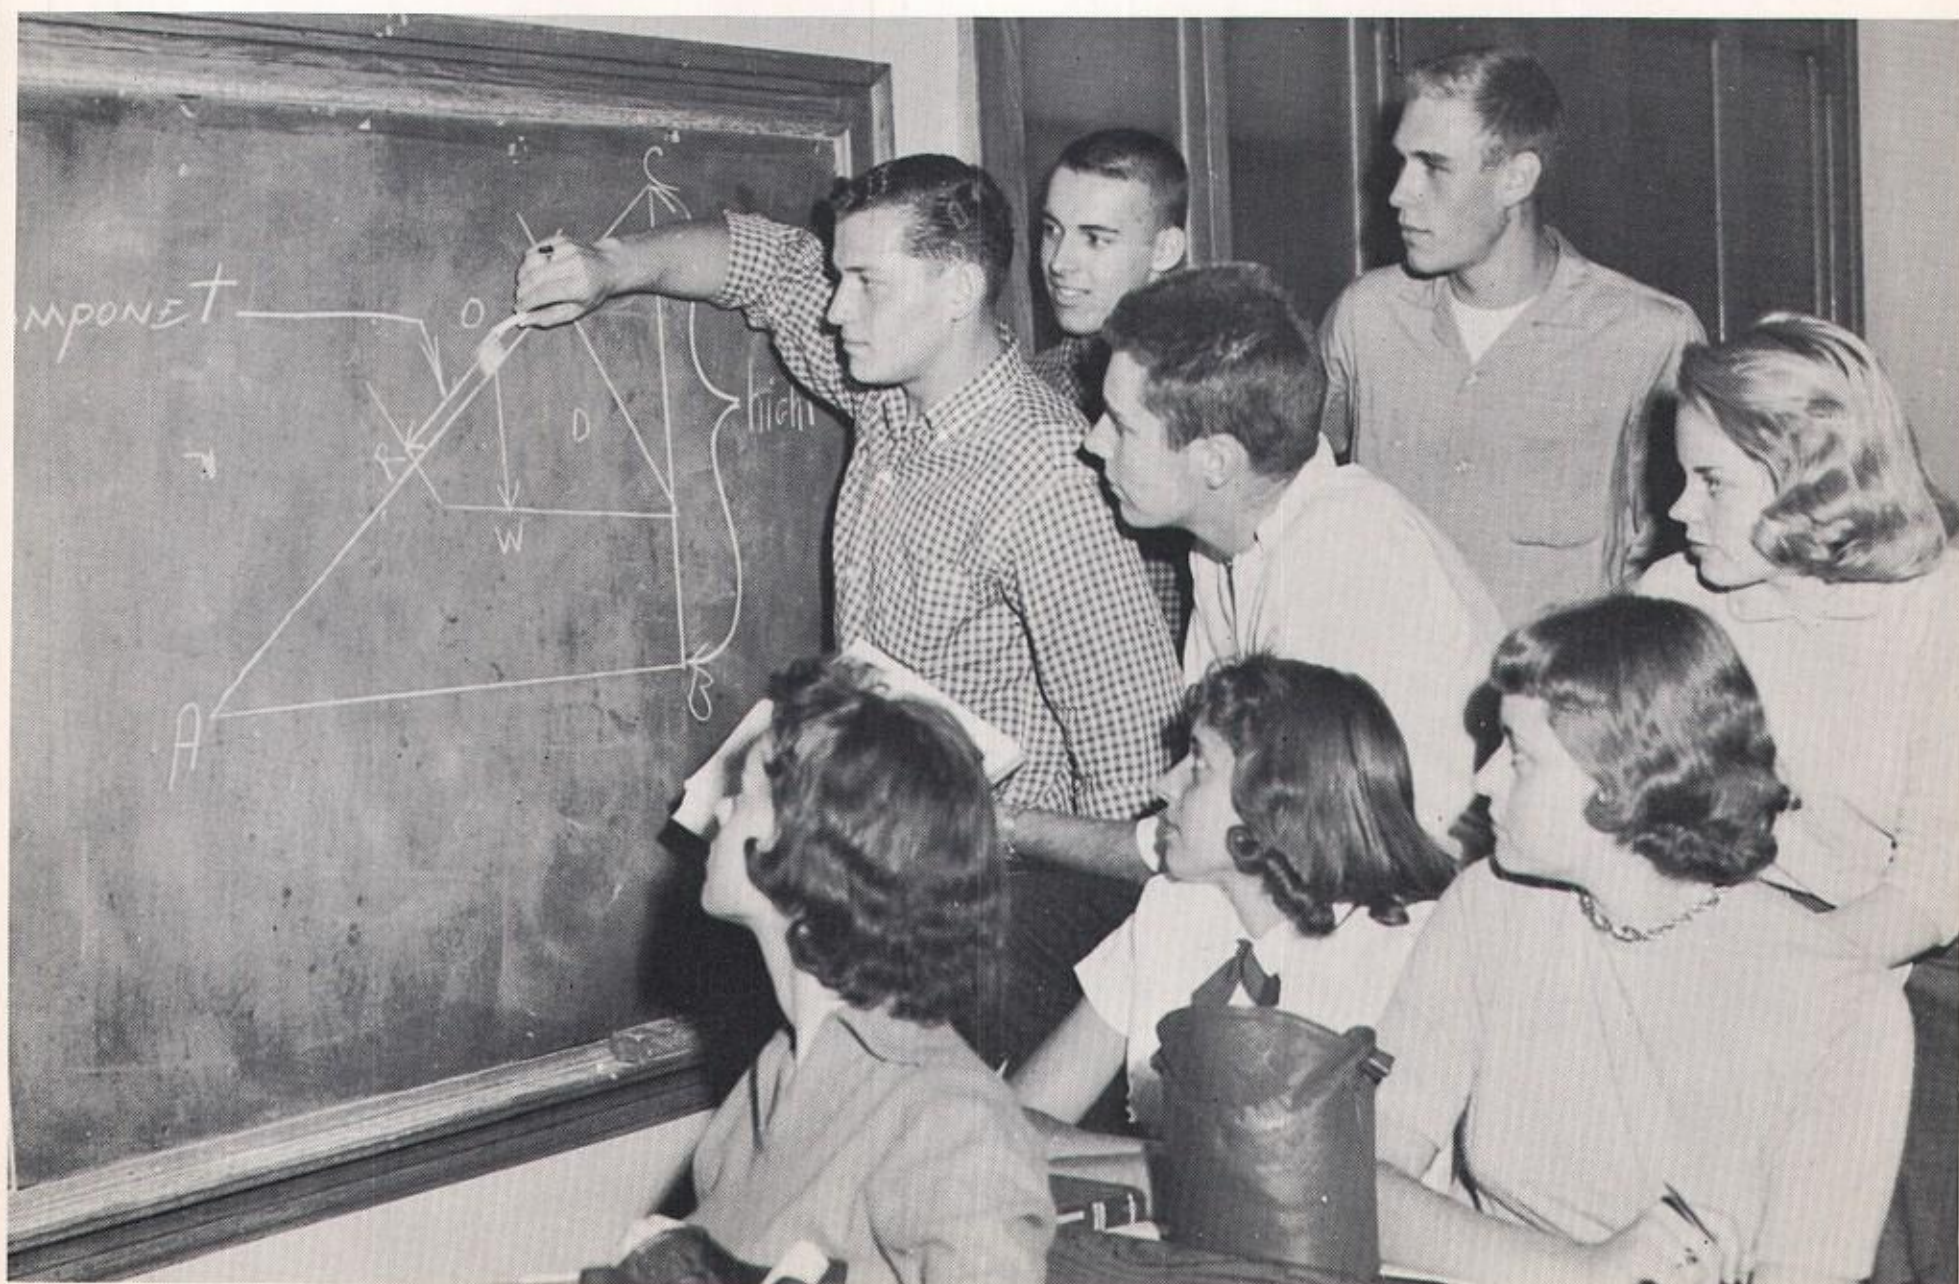

In ancient times, men said, "All roads lead to Rome"; but now, as David points out all roads channel to the United States.

Talent pours out through fingertips onto canvas in swirls of color. The effect is pleasing; the result, a masterpiece.

Great minds run in the same channels, or at least seem to have the same interest in this physics problem. The seniors' honor study hall proved to be a successful way to learn together without teacher's distractingly watchful eye.

Who knows but what these

We are proud to reveal, how

Watch those over-due  
kids! The library, our stor  
of knowledge, is a crutch fo  
seeking higher learning.

The first comment of Miss Steele's IV English class: Thou shalt learn and readily comprehend the five basic areas of learning and apply them.

Foreground: Miss Guilliams's young men of America spent happy hours preparing for the songs they sang at the Christmas Assembly. We hope to see you in 203 as senior high basses . . . soon.

Cooking class seems to be as good a place as any for future homemakers to test their culinary efforts.

When every edge is smoothed and every flaw is fixed, amateur carpenters will take their work home for Father's nod of approval.

The A. V. room brings the far corners of the earth into eyespan. On the spot' the reels unroll the past, present, and the future.

Transcribing shorthand notes into an actual letter is easy . . . if you can read your own writing. Anyone can make a mistake, but practice makes perfect.

From the vena cava, the blood is pumped through the auricles, lungs, and ventricles, into the aorta and to all parts of the body. Or . . . so that's what makes me tick!

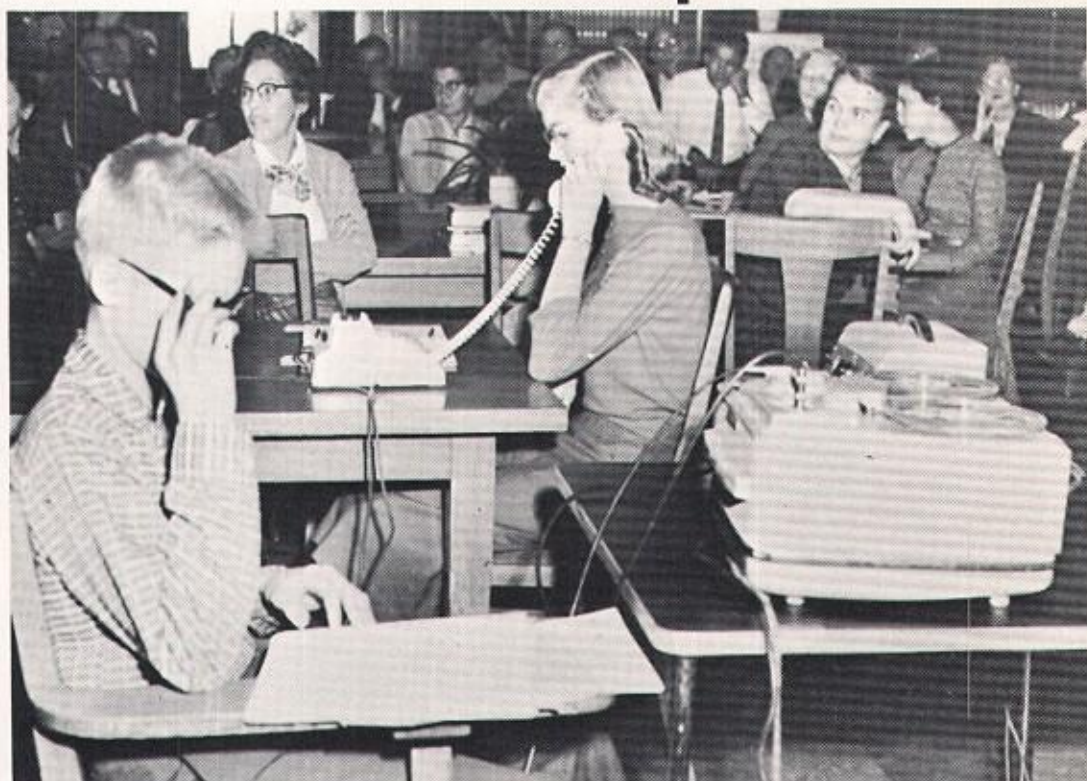

A curious mind looks inquisitively into a lathe in machine shop. Love makes the world go 'round, but what makes the lathe go 'round?

Sorry, wrong number . . . Office practice students demonstrate new office techniques to the faculty.

Youth wants to know. Today's inquisitive students await the green light before popping questions on everything from Adam and Eve to rocket ships.

Marsha, Sally, Sue, and Judy make party hats for Penelope's party. Karen, the castle keeper, directs the work.

The three fiddlers, Tom, Dave, and David watch Greg, the Court Magician, and Ross, the Vagabond try to open the magic box.

Nicholas of Nowhere, the Vagabond, played by Ross Wolfard, tries to enjoy the life of a King.

## OLE KING COLE

The royal family! Bob Mahoney, as Ole King Cole, Rebecca Czar, the Queen, and Penelope, the Princess, played by Nancy Nall.

The Drama club, combining comedy with grease paints, glaring lights, backdrops and props presented . . .

## Gammar Gurton's Needle

Dame Chat and Diccon, played by Dave Garbacz, chat together in one of the scenes from the play.

Nancy, Judy Johnson, as Gammer Gurton, and Dave Klopenstein, as Hodge, engage in a street brawl.

This years club portrayed "Gammer Gurton's Needle," a play that sent its audience into gales of laughter. Gammer Gurton caused a commotion over the loss of her precious needle, complicating things by accusing her neighbor, Dame Chat, of the theft, which resulted in a common street brawl. The thief was finally found to be the town's rascal, Diccon.

Fetch me my spit, Doll! bellowed Dame Chat played by Nancy Priddy. Doll, the timid maid played by Phyllis Hurst, scurries to obey Dame Chat's command.

Gammer, Tib, played by Linda Rubens, Hodge, and Cock, played by Dave Murray think Gib, the cat, swallowed the needle.
